LIMITED WARRANTY

Ohio Scientific, Inc., 1333 S. Chillicothe Road, Aurora, Ohio 44202 (the "Warrantor") hereby warrants to the original purchaser that its hardware equipment will be free from defects in materials and workmanship for a period of ninety (90) days from the date of receipt by purchaser, when operated and maintained in accordance with Ohio Scientific's recommendations. This warranty includes power supplies and floppy disk drives. It specifically excludes terminals, video monitors, audio cassettes and keyboards not manufactured by Ohio Scientific.

Ohio Scientific warrants its software against media that is defective, such that it is not readable by the computer system, for a period of ninety (90) days from the date of receipt by purchaser. The software is thoroughly tested and thought to be reasonably bug-free when released. Ohio Scientific maintains a full staff of software experts, and will endeavor to correct any serious bugs that may be discovered in the software after release in a reasonable amount of time. However, this is a statement of intent and not a warranty or guarantee in such event. (Software sold with annual site licenses offers additional support commitments. See their contracts for details.)

You must have purchased the product from a duly authorized Ohio Scientific dealer, whose name appears in Ohio Scientific's current dealer listings, to qualify for the 90 day warranty. Ohio Scientific makes no other express warranty than that made above. Any implied warranty, including, but not limited to, the implied warranty of MERCHANTABILITY or fitness for a particular purpose, shall not be extended beyond the ninety (90) day period.

Ohio Scientific's obligation under the above warranty is limited to the repair of the product, without charge, if it is defective and has not been misused, carelessly handled, or defaced by repairs made or attempted by others, and it is returned to Ohio Scientific for repair. Ohio Scientific shall not be liable for any other loss or damage resulting directly or indirectly from the defect in the product including, but not limited to, incidental or consequential damages for lost profits, lost sales, injury to person or property, or any other incidental or consequential loss.

In the event that you desire to obtain performance of any warranty obligation, please return the product, in its original or other adequate packaging, to Ohio Scientific, Inc., or by prior arrangement to the dealer from whom you purchased the unit.

Ohio Scientific reserves the ultimate authority to determine what constitutes in-warranty repair in circumstances where circuit modification, abuse, misuse, or shipping damage occurs. If it is determined that the product is not under warranty, it will be repaired using Ohio Scientific's standard rates for parts and labor. Ohio Scientific will use its best efforts to repair the product within three weeks after receipt thereof. However, Ohio Scientific shall not be responsible for delays beyond its control such as, but not limited to, those caused by shipping or long delivery of replacement components.

The warranty contained herein is the only warranty which any Ohio Scientific dealer is authorized to give in conjunction with the product. Ohio Scientific shall not be bound by any other warranty made by the dealer to the purchaser. The support of such warranty or maintenance contract is the sole responsibility of the dealer offering the warranty.

When requesting performance under the terms of this warranty, the original purchase date, or date of purchaser's receipt of the product, must be established by means of a bill of sale, invoice, or other acceptable documentation.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
